EXCELLENCE

At Titan, a commitment to continuous improvement and innovation is a clear indicator of our level of performance and operational excellence. It comes from applying the same patience and diligence to everything we do – from seemingly small tasks to large scale projects and investments, it gives us the shortest path from the factory floor to customers' satisfaction.

COMPONENTS USED IN OUR PRODUCTS

TITAN FORKLIFTS: Titan is committed to providing a broad selection of the toughest trucks for even the most challenging applications. Each model is designed to deliver optimal efficiency, comprehensive operator ergonomics and safety, and unsurpassed reliability at an unbeatable value for your dollar. Every unit is backed by a 5 year warranty and a network of knowledgeable authorized dealers throughout North America.

Forklift Types: If you are new to buying a forklift, carefully consider what type of forklift you need. What will the forklifts be used for? How much weight will you be lifting at one time? How high does the forklift need to reach? Will the forklift be driven indoors, outdoors or both? Is fuel type important to you? Contact us today and let us help you find the perfect forklift.

Quality: Titan Lift Trucks makes it easy to compare forklift prices, service plans and warranties on all used forklifts. Narrow your search to titan and contact us today.

About Titan: We specialize in new forklifts to include everything from one ton to forty eight ton, pneumatic tire, solid tire, non marking tire and cushion tire forklifts, electric, gas and propane. With top of the line quality lifts we are your only choice when looking for a new affordable forklift.

Designed in Canada with the best components for unsurpassed reliability, by knowledgeable industry Professionals with over 40 years of experience

Titan Forklifts are built for versatility, reliability and profitability. We understand that timely order fulfillment in today's globally competitive marketplace is crucial for success in any warehouse or shipping environment. The versatile and heavy duty LPG/gas and Diesel Titan's forklifts offer the power, performance and productivity capabilities you need to succeed. For heavy-duty lifting and maneuverability, Titan's offer outstanding value.

Titan's quality commitment doesn't end in the design room or on the factory floor. Quality service and maintenance programs are crucial to the long-term performance and ROI of any forklift. All of our forklifts come with a robust 5-Year Warranty so your accounting department can rest easy in the confident knowledge that Titan backs what it sells with one of the most comprehensive warranty programs in the industry.
